

19 July 2019

Dear Parent/Carer

It is hard to believe that we are coming to the end of this academic year, my first as Principal of Outwood Grange Academy. Personally, I have enjoyed every minute of it and am already looking forward to September and our new Year 7s who made such a great first impression during their transition. Even with the term drawing to a close, Outwood Grange hasn't stopped and the opportunities and experiences that have been open to our students have been extraordinary. We have had Science trips to Cern, Switzerland, a trip to Wimbledon, the Rugby League Tour of Australia as well as 20 students going on a Camps International trip to Uganda. We have had the Outwood Family of Schools Games event in York, our Outwood Debate event and set up our Royal Navy Sea Cadet Corps.

All of these amazing experiences in the last few weeks show the commitment of our staff and the ambition and energy of our students. The production of Grease was a stunning triumph, giving us an amazing finale to our year and showcasing the talent of our students in a genuine community event.

Of course, there are important exam results being published in August. For data protection reasons, we are not able to email the results out. If a student can't collect them in person, a family member or friend can take receipt of the results. They must have a signed letter from the student explaining this and some form of identification with them. The arrangements for collecting exam results are as follows:

Thursday 15 August - A Level results will be available from 8.00 am - 12.00 pm from the Conference Theatre. Staff will be available to help with any issues regarding university places and next steps.

Thursday 22 August - GCSE results (in the Conference Theatre)

- Year 11 results available from 8.00 am - 10.00 am
- Year 10 results available from 10.00 am - 11.30 am.

We will welcome all students back in school after the summer break on Wednesday 4 September, with lessons starting at 8.25 am as usual. I hope all staff, students and their families have a restful and relaxing summer and thank you for all your support this year.

Yours faithfully

Brian Kelly
Principal
