

Combined Cadet Force

In partnership with Outwood Grange Academy

Dear Parent/Carer,

Outwood Grange Academy is proud to have the only Combined Cadet Force in Wakefield and to be one of only a handful of Combined Cadet Forces based in a non-selective school. Working with the Royal Navy, our aim is to provide a disciplined organisation within a school setting where cadets develop powers of leadership, responsibility, self-reliance, resourcefulness, endurance and perseverance.

We would like to cordially invite you to Outwood Grange Academy's Combined Cadet Force (Royal Navy) Opening Ceremony taking place on Wednesday 26 February. The parade will start at 1:30pm and parents/guests are invited to arrive first for tea and coffee at 1pm. The Contingent will be inspected by Commander Hodgkins who is the Commanding Officer for RN/RM CCFs. A presentation, including cadet promotions, will take place in the auditorium after the parade and this should be finished for 3:30pm

Please complete the reply slip if you are able to attend to watch your child take part in this parade.

Yours sincerely,

Lee Woods
Contingent Commander CCF/Assistant Principal
