

Dear Parents/Carers

Praise Assembly

I hope you and your family are well and you are all managing the difficulties and challenges that have been presented to us all in recent months.

I wanted to take this opportunity to congratulate our students in their engagement with home learning. The independence and study skills the students have developed will help them tremendously in their future education at Outwood Grange Academy.

In order to celebrate many of the students' hard work at KS3 and KS4, our Heads of Departments have created their own praise videos or presentations. These will be posted in our VMG classroom each day next week so that our students can access them.

- Monday-Maths, English and Science praise
- Tuesday-Performing Arts, Art and PE
- Wednesday-Geography, History and Life
- Thursday-MFL, Business Studies and Design technology

I recognise that this has not been easy for everyone and that it has been a completely different way of working for us all. However, the amount and quality of work demonstrates students' creativity and resilience. We are all very proud of the students' achievements.

Yours sincerely

Brian Kelly

Principal
