

Monday 20th September 2021

Dear Parent/Carer

I am writing to inform you that your child in Year 12 will be sitting their A Level Maths Bridging assessment on Monday 27th September at 12:30pm in L13.

This assessment is not an external assessment, will not be certified with any qualification, and will not contribute to their overall grade in A Level Maths. It is an internal assessment that we conduct every year that will allow us to outline any additional intervention that will need to take place throughout the course of the year.

It will consist of some of the content the students have covered so far plus anything that was required knowledge for the A Level Maths Summer Project. Students have been made aware of the details surrounding the assessment, and have started their revision accordingly.

If we have any concerns following the assessment we will be in touch. If you have any questions please do not hesitate to contact me or the appropriate teacher below:
