Summer 2023

A note from the SENDCos

As we reach the end of another busy term and year, it's time to reflect on all the hard work our students have invested this year. Congratulations to our year 11 students who made it through a busy GCSE period and made it out the other side with smiles on their faces. Year 10 have also completed important mock exams in preparation for next year.

To our remaining years - it was wonderful to see much enjoyment at the end of year praise event on Friday. This was a well deserved chance to unwind and let loose...and that you did!

Wishing all of our students, parents/carers and families a fantastic and relaxing summer break and we look forward to seeing our returning students, and new year 7 students, in September!

Updates and latest news

This year's year 11 prom was hosted at The Centenary Pavilion at Elland Road stadium in Leeds. The evening saw students don their finest and it was an amazing night of celebrations and reflections.
