

24 January 2022

Dear Parents/Carers,

I hope you are well. Unfortunately we have a significant number of staff absences. As a result you will be aware that I have had to send year 10 home for home learning this week.; Tuesday 25th January and Wednesday 26th January, as we cannot staff their lessons and keep students safe. Finding staff from agencies is also incredibly difficult and often we cannot get supply teachers in. We are unable to maintain our commitment to Live Lessons and students will therefore have lessons uploaded to their Google Classrooms.

Home Learning - A Reminder

We have previously communicated with you last year to explain what the process will be for setting work for students during the enforced closure. Therefore, whilst at home, Google Classroom is the means by which teachers will set work for their classes. In order for parents/carers to support their children at home, we have created a [Home Learning webpage](http://home.learning.outwood.com) (home.learning.outwood.com) which provides you with guidance on how to access Google Classroom with your child.

Students should follow the timetable below for Tuesday and Wednesday. For each lesson, there will be work and resources uploaded to the Google Classroom. The independent work students will then complete at home should then be submitted to their usual teacher via Google Classroom. If your child has any questions or concerns they can email their Learning Manager Mr Allon at his email address on: j.allon@grange.outwood.com.

We appreciate that this change is short notice and may inconvenience you but it is essential that we safeguard our students, staff and wider school community.

If you have any questions or concerns, please do not hesitate to get in touch. In the meantime, we look forward to seeing your child on the remote learning platform on Tuesday 25th and Wednesday 26 January 2022.

Yours faithfully
