Dear Parent/Carer

Year 11 Mock Assessments

I am writing to make you aware that your child will start their second round of Y11 Mock Assessments when they return to the academy after half term.

All Year 11 students will be undertaking mock assessments between the 19th February and 4th March. This is an essential opportunity for students to demonstrate their knowledge and understanding, experience exam conditions and to help inform next steps to ensure maximum success. The exam timetable can be found at the end of this letter. Personalised timetables have also been given to students.

I am pleased to report that our Year 11 students have been working extremely hard to ensure they unlock their full potential in the upcoming exam period. Teaching and support staff continue to support students to plug any gaps in knowledge, and are providing extensive support and resources to promote success - much of this can be found in your child's Google Classrooms.

It is vital that students attend these assessments as the evidence will also be used to finalise predicted grades to support applications to Further Education. Therefore it is important that we have a precise and accurate picture of attainment at this stage.

Staff are very sensitive to the pressure this places on our students. If you have any concerns about your son or daughter's health or wellbeing, please do not hesitate to get in touch. Our Learning Managers work particularly closely with students in their year group and are very experienced in offering any aspect of advice, guidance and support during examination and assessment periods. Please continue to support and encourage independent study at home to prepare your child for this assessment period.

Yours Faithfully,

Richard Larder
Vice Principal
