

8 April 2024

Dear Parents/Carers,

Year 7 students are currently studying both Spanish and German and have the choice to choose one of these to study in Years 8 & 9 for 2 hours per week or continue to study both languages for 1 hour per week.

Students who are wanting to continue their language studies in Year 10 as a GCSE need to choose the language they want to study at GCSE at this point. Students will not be allowed to start a new language in Year 10.

Students can make their choice by completing this [Google Form](#) which needs to be completed by **Friday 12 April**. Students will need to be logged in to their school Google account to be able to complete the form. This form has also been emailed to students.

[This document](#) outlines the various choices and reasons to choose a specific language.

Yours faithfully

Mr R Larder  
Vice Principal
