

8 February 2023

Dear Parent/Carer

Ski Trip Italy 2024

Letter of Interest

I am delighted to offer your child the opportunity to join us in Italy for the 2024 ski trip during February half term. This trip gives students the chance to experience the thrills of skiing and also provides an unforgettable opportunity to immerse themselves in another culture, whilst challenging themselves to be independent and resilient. As the trip is being offered to all students in current years 7-10, it is a great bonding and collective experience.

At this stage we are gauging levels of interest in the 2024 ski trip before finalising the booking with the ski company. The trip and cost will include:

- 6 days (4 hours per day) ski tuition with local ski school
- 6 nights hotel accommodation (half board)
- Travel by flights and coach transfers
- Lift pass
- Ski, boot, poles and helmet hire
- Hot lunchtime meal and drink in a mountain restaurant on the slopes each day
- Full evening entertainment programme
- Services of the travel operator's representative at the resort.

We appreciate that skiing has become an expensive sport and so we have secured a price which is very competitive. The cost of the trip will be approximately £1,550.00. Confirmation of the final price is dependent on numbers of students attending and the confirmed quote by the travel company we are using. In order to make the trip more affordable, a monthly savings plan will be available.

If your child would be interested in the 2024 Ski trip, please complete the reply form by Friday 24th February and return to Miss Farrington in U2.

If you have any queries or questions about this fantastic opportunity, please do not hesitate to contact me.

Yours faithfully,

Paige Farrington

Second in Geography

2024 Ski Trip

*(Please return no later than **Friday 24 February 2023**)*

I would like my son/daughter..... in current year to attend the **2024 Ski Trip** to **Italy** during **February half term 2024**.
