

October 2023

Dear Parent/Carer

Bonfire Safety

Ahead of the Bonfire weekend, I am writing to highlight some positive work carried out with students in school.

First and foremost, all year groups have had an assembly this week covering:

- Bonfire events and the purchase of fireworks – The Law
- Community safety
- Dangers of fireworks
- West Yorkshire Fire and Rescue – The Firework Code
- Consequences for retailers (if fireworks are sold to under 18s)
- Useful advice (incorporating Do's & Don'ts)
- Bonfire basics, firework facts and anti-social impact on the community.

May I take this opportunity to wish you a lovely and safe half term and bonfire period and ask that safety during this period is reiterated in the home and family setting.

If you require my support, please do not hesitate to make contact with me on J.Slee@grange.outwood.com – all emergencies should be reported via 999.

Alternatively, telephone the academy on 01924 204350.

“Working in partnership to keep our school and community a safe place”.

Yours faithfully

PC 5155 Jayne Slee

Safer Schools Partnership Officer

**DO YOU KNOW
WHERE YOUR KIDS
ARE THIS BONFIRE
NIGHT?**
