

19 June 2023

Dear Parent/Carer,

Year 10 July Assessments

All Year 10 students will be undertaking mock assessments between the 26th June and 10th July. This is an essential opportunity for students to demonstrate their knowledge and understanding, experience exam conditions and to help inform next steps to ensure maximum success in Year 11.

I have attached a timetable for the assessments below so that you can discuss the upcoming assessments with your child and be aware of when each assessment takes place.

Students will receive their own personalised copy of their assessment timetable with their seat number and location of their assessment.

Staff are very sensitive to the pressure this places on our students. If you have any concerns about your son or daughter's health or wellbeing, please do not hesitate to get in touch. Our Learning Managers work particularly closely with students in their year group and are very experienced in offering any aspect of advice, guidance and support during examination and assessment periods.

Please continue to support and encourage independent study at home to prepare your child for this assessment period.

Thank you for your continued support.

Yours faithfully

Mr R Larder
Vice Principal
