Dear Parent/Carer,

Y11 Information Evening - Tuesday 3 October

We wish to invite Year 11 students and their families to our Information Evening where we will share important advice and guidance on how to best support your child's education in this crucial year.

This event will take place in the Arts Centre on Tuesday 3 October, between 5:00pm and 6:30pm, and will consist of a 30 minute presentation at 5pm and 6pm on guidance and support available in the academy, how students can achieve their full potential and how to make the most of every opportunity in this final GCSE year. Working in partnership with parents is an integral part of the support network our young people need to succeed.

We hope the evening will provide you with an ideal opportunity to meet some of the staff in school who support your child and enable them to make progress; coupled with preparing them for the next steps in education, training or employment. Our main aim however in the short term is to equip students and parents/carers with a greater understanding of what lies ahead over the coming months in terms of preparation for assessments, opportunities for enrichment, additional interventions, masterclasses and of course advice around careers and Post 16.

Yours faithfully

Mr R Larder - Vice Principal
